

SCOTLAND

An aerial photograph of a golf course in Scotland. The course is characterized by its undulating green fairways, numerous sand traps, and clusters of mature trees. It is situated on a rugged coastline, with the deep blue sea visible on the left and a rocky shore. The lighting suggests a bright, sunny day, casting long shadows across the grass.

GOLF

JUBILEE COURSE

The third championship course at the Home of Golf, the Jubilee is considered by many to be the most challenging course on the famous Links. Built in 1897, it was originally intended for use by ladies and beginners; however, after seeing its prime golfing location between the New Course and the sea, the Jubilee was converted to a championship layout in 1988.

CRAIL BALCOMIE

A combination of stunning coastal views, centuries of history and hugely enjoyable golf is what makes Balcomie Links one of Scotland's most finely polished, golfing gems. This traditional, classic links course was laid out by the old master himself, Tom Morris, and opened in 1895. Created in the days when course design was governed by the natural lie of the land and not the mechanical earth mover, Balcomie has the unusual combination of three par fives, six par threes and nine par fours, producing a tough par of 69.

GOLF

CARNOUSTIE

Carnoustie Golf Links is an iconic, world-leading golf destination in Scotland and home to 'Golf's Greatest Test'. Golf has been played at the Links since the 16th century and it was Carnoustie natives who went on to establish the Professional Golfer's Associations of America and Australia. The Championship Course has hosted eight Open Championships, one Ladies British Open and two Seniors Open making it one of the very few to have done so in the UK.

OLD COURSE

Follow in the footsteps of legends

The oldest and most iconic golf course in the world. The Swilcan Bridge and Hell Bunker are recognized across the globe, yet the greatest feature of the Old Course is that despite its grand status it remains a public golf course, open to all.

GOLF

CASTLE COURSE

The newest addition to St Andrews Links, The Castle Course opened in 2008 becoming the seventh course at the Home of Golf and part of the largest public golfing complex in Europe. Set on a rugged cliff-top with spectacular views over St Andrews, The Castle Course offers a memorable golfing experience.

KINGSBARNES

Kingsbarns Golf Links is situated 7 miles from St Andrews along 1.8 miles of picturesque North Sea coastline, where each hole embraces the sea. In addition to enjoying our Worldwide Top 100 ranked course, we hope lifelong memories of our comfortable, friendly and attentive service complete your “Kingsbarns Experience”.
